Subject: Gilt Edge Data

Hi Amelia –

I talked with Andrea and CDM Smith is working on getting an electronic copy of the database to EPA. It might take until the end of the week, they had had trouble protecting it from alteration on a CD before and are working on a method to deliver it.

Could I see a copy of the request letter from Hecla? Andrea read me a passage but it might be useful for me to see it as well.

Thanks –Joy
